SECTION 01

Executive Summary

Five priority actions ranked by business impact

WCP has 23 active psychotherapists but faces critical gaps in service offerings that limit revenue and clinical capabilities. This plan covers five priority actions ranked by business impact:

PRIORITY	ACTION	REVENUE IMPACT	INVESTMENT	TIMELINE
P1	Psychiatrist Recruitment	★★★★★	25-35K PLN/month	3-6 months
P2	Therapy School Enrollment (5+ psychologists)	★★★★	75-150K PLN total	Enrollment Q3 2026
P2	Couples Therapy Development (2-3 therapists)	★★★★	Recruitment costs	2-4 months

P3	Group Facilitator Training	★★★	3-5K PLN / therapist	Q3-Q4 2026
P3	Supervision Budget (7 new graduates)	★★★	~2,500 PLN/month / therapist	Ongoing 2026

✅ **Key Results:** Estimated annual ROI: **400-600K PLN** within 18 months with total investment of **180-300K PLN**. Payback period: **6-9 months**.

426-580K
YEAR 1 INVESTMENT (PLN)

720K-1.07M
REVENUE POTENTIAL (PLN)

6-9
MONTHS TO PAYBACK

0
PSYCHIATRISTS (GAP VS ANIMA)

SECTION 02

P1: Psychiatrist Recruitment

Why this is priority #1 · Compensation · Onboarding plan

⚠️ **Why This is Priority #1:** WCP cannot prescribe medication or offer psychiatric evaluation. Main competitor **ANIMA has an on-staff psychiatrist** — this is the biggest service gap. Patients requiring medication (ADHD, severe depression, anxiety disorders, bipolar disorder) must be referred out.

COMPENSATION BENCHMARKING — POLISH PSYCHIATRY MARKET 2026

SETTING	MONTHLY GROSS (PLN)	ANNUAL GROSS (PLN)	NOTES
NFZ full-time	12,000-18,000	144,000-216,000	Base + overtime, low retention
Private clinic (salary)	20,000-30,000	240,000-360,000	Typical private range
Private clinic (revenue share)	60-70% per session	Variable	Popular model — 250-350 PLN/session

ANIMA (estimate)	25,000-35,000	300,000-420,000	Competitive private offer

RECOMMENDED COMPENSATION MODEL

Base salary: 15,000-18,000 PLN gross/month (guaranteed minimum)

Revenue share: 60% per session (250-300 PLN/session → 150-180 PLN for psychiatrist)

Monthly target: 25,000-35,000 PLN gross at full schedule

Benefits: flexible hours, administrative support, ready patient flow, modern space

ONBOARDING PLAN (FIRST 90 DAYS)

1. **Welcome (Week 1)**
   Orientation with Ewelina, meet the therapy team, clinic tour, system access (Booknetic, records), workstation setup.

2. **Integration (Weeks 2-4)**
   Shadowing with 2-3 therapists (CBT + psychodynamic), attend team meeting, begin schedule, establish patient handoff protocols.

3. **Ramp-up (Weeks 5-8)**
   Full patient schedule (target 60%), begin psychiatric assessments, coordinate pharmacotherapy with therapists.

4. **Full Productivity (Weeks 9-12)**
   Full schedule (80-100%), established patient referral flow, participate in team case conferences.

ESTIMATED BUDGET

ITEM	COST (PLN)	FREQUENCY
Psychiatrist salary (target)	25,000-35,000	Monthly
Recruitment costs (Pracuj.pl, LinkedIn)	2,000-4,000	One-time
Onboarding and equipment	3,000-5,000	One-time
Year 1 total	**~310,000-430,000**	Annually

Revenue offset: At 15 patients/week × 250 PLN × 48 weeks = **minimum 180,000 PLN/year**; with medication management packages and integrated care packages, **250,000-350,000 PLN/year** is realistic.

Recruitment Timeline: Job posting (April 25, 2026) → Active search (April 28 - May 31) → First interviews (June 1-15) → Offer (June 30) → Start date (July 15 - August 15, 2026) → Full productivity (October 15, 2026).

SECTION 03

P2: Therapy School Enrollment

12 therapists without school · First wave · Second wave · School options

Current Status: 12 therapists are not enrolled in therapy school. These individuals have completed psychology studies (master's) but have not undergone formal psychotherapy training. This blocks clinical opportunities and limits compensation.

THERAPISTS WITHOUT SCHOOL (12 PEOPLE)

#	NAME	DEGREE	YEAR	WORKS WITH	RECOMMENDED SCHOOL
1	Beata Korycka	In progress	—	Youth, Adults	CBT (after completing studies)
2	Julia Dąbrowska	M.A. Psychology	2022	Children, Youth, Adults	CBT
3	Kamila Świniarska	M.A. Psychology	2025	Children, Youth	CBT or Gestalt
4	Katarzyna Grzegorczyk	M.A. Psychology	2022	Children, Youth, Adults	Gestalt
5	Marta Kmieć	M.A. Psychology	2019	Youth, Adults	CBT
6	Marta Minko-Jankowska	M.A. Psychology	2021	Children, Youth, Adults	CBT
7	Monika Iwanowicz	M.A. Psychology	2025	Youth, Adults	Gestalt
8	Paula Kamińska	M.A. Psychology	2015	Children, Youth, Parents	CBT (priority)
9	Tomasz Reszka	M.A. Psychology	2022	Youth, Adults	Gestalt
10	Zuzanna Chodkowska	M.A. Psychology	2025	Children, Youth	CBT

11	Joanna Sadło-Kwas	M.A. Psychology	2025	Youth, Adults	Gestalt (already integrative)
12	Malwina Marciniszyn	M.A. Environmental Protection	—	Adults	Psychodynamic (already enrolled)

Note: Malwina Marciniszyn is already in psychodynamic training, and Beata Korycka is still completing psychology studies. Effective number requiring enrollment: **10 therapists**, with target **5+ enrolled by Q4 2026**.

FIRST WAVE (Q3 2026) — PRIORITY PRELIMINARY

THERAPIST	WHY PRIORITY	PROGRAM	EST. COST
Paula Kamińska	11 years experience, children/families work — highest revenue potential	CBT	25,000-30,000 PLN
Marta Kmieć	7 years experience, youth/adults	CBT	20,000-25,000 PLN
Marta Minko-Jankowska	5 years experience, wide age range	CBT	20,000-25,000 PLN
Julia Dąbrowska	4 years experience, children/youth/adults	CBT	20,000-25,000 PLN
Katarzyna Grzegorczyk	4 years experience, children/youth/adults	Gestalt	20,000-25,000 PLN
Tomasz Reszka	4 years experience, male therapist (diversity asset)	Gestalt	20,000-25,000 PLN

SCHOOL OPTIONS IN POLAND (2026)

SCHOOL	LOCATION	MODALITY	DURATION	COST	NOTES
PTP CBT	Multiple cities + online	CBT	4 years	25,000-30,000 PLN	Gold standard, PTPIP accredited
SWPS University — CBT	Warsaw/Wrocław + online	CBT	3 years	20,000-25,000 PLN	Good reputation
Olsztyn Gestalt Psychotherapy School	Olsztyn	Gestalt	4 years	18,000-25,000 PLN	Local — minimal commute!
Gestalt Psychotherapy Institute (Kraków)	Kraków + online	Gestalt	4 years	22,000-28,000 PLN	Established
Psychodynamic Psychotherapy	Łódź + online	Psychodynamic	4 years	20,000-25,000	For existing psychodynamic

> ✅ **Funding Model:** WCP subsidizes 50-70% of tuition, therapist covers remainder. This is standard in Polish private clinics, ensures mutual commitment, and reduces turnover risk.

SECTION 04

P2: Couples Therapy Development

Current status · Recruitment · Timeline plan

CURRENT STATUS

Only **2 therapists** explicitly offer couples therapy:

- **Julia Bochko** (CBT)
- **Krystyna Puzdrowska** (CBT, in training since 2025)

Additionally, **Anna Piotrowska** (CBT + Systemic) and **Małgorzata Dawidziuk-Kafel** (CBT) mention couples/families, but only Julia and Krystyna are primary couples therapists.

BUSINESS CASE

250 PLN
INDIVIDUAL RATE

500 PLN
COUPLES RATE (2× INDIVIDUAL)

192,000 PLN
REVENUE / THERAPIST / YEAR (8 SESSIONS/WEEK)

384-576K
POTENTIAL REVENUE INCREASE (PLN/YEAR)

RECRUITMENT: 2-3 ADDITIONAL COUPLES THERAPISTS

Internal candidates prioritized for training:

THERAPIST	WHY	ACTION
Anna Piotrowska	Already systemic training + CBT, works with families	Formalize couples offering, active marketing
Małgorzata Dawidziuk-Kafel	CBT, mentions couples, 16 years experience	Provide couples supervision + marketing support

Marta Wiktor-Jankowska	Wide age range, interested in development	Couples therapy training module

> **Recruitment Timeline:** Confirm internal candidates (May 15, 2026) → Internal couples supervision (May 30) → External posting (May 15) → Interviews (June) → Hiring (July-August 2026) → Couples marketing (from May 2026).

SECTION 05

P3: Group Facilitator Training

Business case · Recommended programs · Training candidates

BUSINESS CASE

150 PLN
GROUP RATE / PARTICIPANT

6-10
TYPICAL GROUP SIZE

900-1,500
REVENUE / GROUP SESSION (PLN)

450-750
REVENUE / THERAPIST HOUR

Group therapy is the **most profitable and scalable** service WCP can offer. One therapist running 2 groups/week generates more revenue than 3-4 additional individual hours.

RECOMMENDED GROUP PROGRAMS

PROGRAM	TARGET AUDIENCE	SESSION RATE	POTENTIAL
Social anxiety group (CBT)	Adults	150 PLN	**High demand, evidence-based**
DBT skills group	Adults with emotional instability	150 PLN	**Strong evidence base**
Parenting skills group	Parents of children in therapy	150 PLN	**Cross-sell from child therapy**
Grief/loss group	Adults	150 PLN	**Niche, underserved**
Social skills group for teens	Youth 13-17	130 PLN	**Flows from youth practice**

THERAPIST	RATIONALE	RECOMMENDED TRAINING
Ewa Kocięcka-Walukiewicz	Senior CBT (16 years), ideal for anxiety/DBT groups	DBT Intensive Training (~8,000 PLN)
Anna Piotrowska	CBT + Systemic, works with children/families — parenting groups	Group facilitation + systemic module (~5,000 PLN)
Wirginia Horszwald	CBT (since 2025), youth specialist — teen groups	CBT group therapy module (~4,000 PLN)
Paula Kamińska	Most experienced untrained therapist, children/youth — parenting groups	Group facilitation training (~5,000 PLN)
Patrycja Wiśniewska	Gestalt, experiential approach — grief/existential groups	Gestalt group facilitation (~4,000 PLN)

TRAINING BUDGET

TRAINING	COST / THERAPIST	THERAPISTS	TOTAL
DBT Intensive Training	8,000 PLN	1	8,000 PLN
CBT Group Therapy Module	4,000-5,000 PLN	2	8,000-10,000 PLN
General Group Facilitation	4,000-5,000 PLN	2	8,000-10,000 PLN
Total		**5 therapists**	**24,000-28,000 PLN**

SECTION 06

P3: Supervision Budget

7 new graduates · Supervision model · Internal option

CURRENT STATUS

7 therapists graduated in 2025 and need regular supervision as early-career practitioners:

THERAPIST	YEAR	MODALITY	SUPERVISION NEEDED
Joanna Szylko-Kwas	2025	Integrative	Integrative supervisor
Kamila Świniarska	2025	None (needs school)	General + school-aligned
Kamila Wodowska	2025	Gestalt (2025)	Gestalt supervisor

Monika Jarzyna	2025	None	General psychological supervisor
Zuzanna Chodkowska	2025	None	General + children/youth specialist
Anita Kraczyna	2025 (Gestalt)	Gestalt	Gestalt supervisor
Krystyna Puzdrowska	2025 (CBT)	CBT	CBT supervisor

SUPERVISION COST ESTIMATE (POLISH MARKET 2026)

TYPE	RATE (PLN/HOUR)	FREQUENCY	MONTHLY COST / THERAPIST
Individual supervision	250-350	2x/month (1.5h)	750-1,050
Group supervision	100-150	2x/month (2h)	400-600
School-required supervision	200-300	2x/month (1.5h)	600-900

RECOMMENDED SUPERVISION MODEL

Hybrid approach: Group supervision (cost-effective) + individual supervision (for complex cases).

INTERNAL SUPERVISOR OPTION

Ewa Kocięcka-Walukiewicz (CBT, 16 years) and **Wirginia Horszwald** (CBT, 16 years) can lead CBT group supervision internally at reduced rates. This would save ~15,000-20,000 PLN/year and build internal capabilities.

APPROACH	ANNUAL COST	NOTES
All external supervision	79,200-94,800 PLN	Full cost
Internal CBT + external others	**60,000-75,000 PLN**	Ewa/Wirginia lead CBT groups
70% WCP subsidy (internal model)	**42,000-52,500 PLN**	Actual WCP annual expense

SECTION 07

Consolidated Budget Summary

Investment · Revenue potential · ROI timeline

> 💡 **Key Strategic Insight:**
>
> **Couples therapy** — fastest payback (revenue from day one)

Psychiatrist — highest strategic impact (closes #1 gap vs ANIMA)
Group therapy — most scalable (highest revenue per therapist hour)

INITIATIVE	YEAR 1 INVESTMENT (PLN)	YEAR 1 REVENUE POTENTIAL (PLN)	ROI TIMELINE
Psychiatrist Recruitment	310,000-430,000	250,000-350,000	Payback Month 10-14
Therapy School Enrollment (first wave)	35,000-45,000	Indirect — higher rates	Payback 2-4 years
Couples Therapy Development	15,000-25,000	**384,000-576,000**	**Payback Month 1-2**
Group Training	24,000-28,000	86,000-144,000 (2 groups)	Payback Month 3-5
Supervision Budget	42,000-52,500	Retention + quality assurance	Ongoing necessity
TOTAL	**426,000-580,500**	**720,000-1,070,000+**	**~6-9 month payback**

INVESTMENT VS RETURN VISUALIZATION

MILESTONES BY MONTH

APRIL 2026

Preparation and Postings

Psychiatrist job posting, present plan to therapists, couples therapist job posting.

MAY 2026

Gauging and Internal Actions

Confirm internal candidates for couples therapy, set up internal couples supervision, identify therapists for groups.

JUNE 2026

Budget Decisions and Recruitment

Approve therapy school budget, recruitment interviews (psychiatrist, couples therapists), submit school applications.

JULY-AUGUST 2026

Onboarding

Psychiatrist starts (July 15 - Aug 15), hire couples therapists, first group training programs.

SEPTEMBER-OCTOBER 2026

Training and Integration

First wave therapy school enrollment confirmed, ongoing group trainings, psychiatrist ramp-up to full productivity.

NOVEMBER-DECEMBER 2026

Pilot and Review

First 2 pilot groups, review supervision progress, psychiatrist full productivity (Oct 15).

SECTION 09

Implementation Responsibilities

Action owners · Support · Approvals

ACTION	PRIMARY OWNER	SUPPORT	APPROVAL

Psychiatrist recruitment	Ewelina Romanowska	Karolina (interviews)	Tomek + Karolina
Therapy school enrollment	Ewelina (coordination)	Therapists (applications)	Karolina (budget)
Couples therapy development	Ewelina	Tomek (marketing)	Karolina
Group training	Ewelina	Seniors (mentoring)	Karolina
Supervision budget	Ewelina	Ewa/Wirginia (internal CBT)	Karolina

> **Central Coordination:** Ewelina Romanowska is the central coordinator for all HR initiatives. **Karolina Zagała** approves budget and signs off on hiring decisions. **Tomek Zagała** supports marketing and technology (Booknetic integration, website updates).

KEY RISKS AND MITIGATIONS

RISK	PROBABILITY	IMPACT	MITIGATION
Psychiatrist recruitment fails (small talent pool in Olsztyn)	**Medium**	**High**	Consider telepsychiatry, part-time, or relocation package
Therapists decline therapy school (time/cost)	**Medium**	**Medium**	Subsidize 70%, offer schedule flexibility
Couples therapists not found locally	**Low**	**Medium**	First train internal candidates, then external recruitment
Low group attendance	**Low**	**Low**	Start with 1-2 pilot groups, validate demand before scaling
Supervision costs exceed budget	**Low**	**Low**	Internal supervisor option provides cost ceiling
